USATT SAFE SPORT POLICY AWARENESS AND COMPLIANCE USATT SAFE SPORT POLICY AWARENESS AND COMPLIANCE

☐ I understand USATT's Safe Sport Policy including the organization's Coaching Policy, which requires that all adults who are engaged in serving as an in-tournament match coach for a Minor Athlete, including a parent coaching his or her own child, at a USATT Sanctioned Tournament must be fully Safe Sport Compliant, which includes completing SafeSport Training offered by the US Center for SafeSport every year and undergoing a criminal background screen every two years.

☐ I understand that, pursuant to USATT's Minor Athlete Abuse Prevention Policy, all participants at USATT Sanctioned Tournaments who are over the age of 18 and have regular contact with or authority over minor athletes must complete annual SafeSport Training offered by the US Center for SafeSport.

For the purposes of USATT's MAAP Policy, "regular contact with" is defined as: "ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s)"; and "authority over" is defined as: "when one person's position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person."

An Event with fewer than four (4) registered participants may be cancelled at the discretion of the Tournament Director.

Match Scoring

All matches at the 2026 US Open Table Tennis Championships will utilize 11-point Best-of-Five Game Rules with the exception of Hardbat and Sandpaper events (see Hardbat and Sandpaper info). Men's Singles and Women's Singles Open Championship events will be 11-Point Best-of-Five Games until the Quarterfinals Stage, when the event will implement an 11-Point Best-of-Seven Games.

Equipment

Tables and Nets: Butterfly – **Balls**: Nittaku Premium 40+ (White) – **Floor**: For the 2026 US Open, USATT expects that all courts will have matted flooring. However, it is possible that some courts may be established on concrete flooring.

Racket Testing: Rackets must abide by all ITTF regulations including, but not limited to, flatness, racket covering thickness, even thickness and continuity of layers, and presence of harmful or volatile substances. All participants are subject to random testing throughout the event.

Clothing: The USATT Dress Code will be enforced. No white clothing will be allowed. Players must wear their respective assigned player number or have their name printed on the back of their shirt when competing. Names must be large and visible to spectators. It is recommended that each player come to the table with two distinctively different colored shirts, as referees will sometimes require opponents to have different colored shirts in important matches with spectators.

Event Registration – Starting Times and Maximum Number of Events

Participants in the 2026 US Open may not enter two events that are scheduled to start at the same time.
The Maximum Number of Events that a Participant in the 2026 US Open may register for is ten (10).
The Maximum Number of Events that a Participant in the 2026 US Open may register for on a single day is three (3).

Event Scheduling

Events are not guaranteed to be completed on the same day that they begin. No refunds will be given for early departure. Each event will begin on the date/time designated on the form, and it will continue at regular intervals until a champion has been determined. An entrant's signature on the tournament entry form acknowledges that the dates are acceptable for participation in the registered events regardless of any holidays, federal, state, local, religious, or foreign. All events will be completed by December 21, 2026.

Any event may be cancelled if the event contains fewer than four players or pairs, as appropriate. (For Event Fee Participants, the cost of an event cancelled for lack of appropriate numbers of participants will be refunded.)

Draws will be available 24 hours prior to the start of each event. For example, for an event that starts on December 18, at 10am, the draw will be available on December 17 at 10am.

Adding / Dropping Events

For Participants electing the Early Bird Flat Fee Entry Structure, events may be added or dropped up to November 15, 2026. After November 16, 2026, no additional events may be added to your registration, events may only be dropped.

For Participants electing the Early Bird Event Fee Pricing Structure, the participant may substitute one event already purchased for another up to November 15, 2026; such participant may also purchase (for $80.00) and add additional event(s) up to November 15, 2026.

Scheduling Conflicts

All Participants must report conflicts at least 30 minutes prior to the conflict scheduled time. Participants are responsible for notifying the Control Desk. Conflicts will be resolved by the Conflict Resolution Station at the Control Desk. Players must follow the direction of the USATT tournament committee's decision regarding the sequence of play in the resolution of Conflicts.

Please note that your timely check-in helps us to keep the tournament running as scheduled. The earlier that you report a conflict of which you are aware, the more likely the Tournament will run on time. Timely check-in and conflict filing allows that some matches may be played EARLY to avoid the delays that arise with unavoidable conflicts.

Mandatory Match Check-In

For Round Robin match play, players **must register** with the Control desk at least **30 minutes before** their group is scheduled to start playing. Immediately after registering with the Control Desk, the player must go to his or her assigned table and be prepared to begin play. Even if you are not the first match, you must be ready to play ten minutes before the scheduled match. Failure to comply with this requirement may result in default. For Single Elimination matches, players **must register** with the Control desk at least **30 minutes before** their assigned match start time. Immediately after registering with the Control Desk, the player must then go to his or her assigned table and be prepared to begin play. The only exception is documented conflict resolution sheet prepared in advance by the Conflict Resolution Station at the Control Desk.

Defaults

An Athlete who defaults in any event at the 2026 US Open is considered to have defaulted from that event completely, fully and finally. A default in an event may also be declared to be a full and final withdrawal from the remainder of the Tournament as determined by the Tournament Referee (TR) or his/her designee (example: Deputy Referee). The TR will base that decision upon the nature and circumstances of the default as they pertain to match play and the rules of the sport. All decisions by the TR regarding defaults shall be final without provision for appeal. Any other issue unrelated to match play or the rules of the sport that might necessitate a default from the tournament will be determined at the sole discretion of the Tournament Director (TD) or his/her designee (example: Deputy Tournament Director).

Seeding for ratings events will be determined by a player's USATT Rating as of December 1, 2026 ("**Seeding Cut-Off Date**").

Ratings events will have Round Robin Groups of 3-4 players dependent upon actual number of registrations in each event as determined by the organizing committee and Tournament Director. One winner per Round Robin Group will advance to a second round Single Elimination stage. SOME events will be designated as single elimination from the start. Players may enter a maximum of 6 rating events based on their rating as of the Ratings Cut-Off Date (November 1, 2026). If two ratings events with the same start time are entered, the Tournament Committee will choose on behalf of the player which event is to be played.

Unrated Players

Players may enter any event for which they are otherwise eligible. Players who are unrated on the Ratings Cut-Off Date (November 1, 2026) will not advance to the single elimination stage of rating-restricted RR events, unless they acquire an eligible rating prior to December 1, 2026. Players who enter a rating-restricted event without a rating and who acquire a rating between the Ratings Cutoff Date (November 1, 2026) and the Seeding Cutoff Date (December 1, 2026) will be permitted to advance provided their new rating meets the event's requirements. If a player enters a ratings event and is unrated as of the Ratings Cutoff Date (November 1, 2026) and prior to the Seeding Cutoff Date (December 1, 2026) that player obtains a rating that is above the ratings restriction of the event entered, that player will be removed from the event. Unrated players are not permitted to enter rating-restricted single elimination events.

Ratings Events for Juniors and Adults

Players entering the Junior Ratings events must be under 19 as of December 31, 2026 **(born on or after January 1, 2007**).

For all Hardbat and Sandpaper events, round robin groups will be formed in groups of up to five (5) players per group. As in all events, a question of racket legality is the decision of the Tournament Referee. Rackets complying with all requirements of the rules for Hardbat rackets shall be legal. This means that participants must use an all-wood blade with short pimpled-up rubber and no sponge. These events do not count for USATT ratings points. Eligibility and seeding for the Hardbat events will be determined by the player's USATT rating as of the seeding cutoff date: December 1, 2026. All matches will be the best of 3 games to 21. USATT will refund 50% of all entry fees paid by participants if the U.S. Open event is cancelled or partially cancelled due to acts of God, force majeure, war within the continental U.S., governmental authority, disaster strikes, civil disorder, or curtailment of transportation services that prevent at least 50% or more of USATT participation from attending the event.

Prize money will not be paid for no-shows, splits, dumping, or defaults (except for verified cases of injury, illness, or emergency). Prize money will not be awarded in events that have fewer than 3 participants (singles) or pairs (doubles). Prize money checks which are not claimed at the tournament site will be mailed to the winner within one month of the conclusion of the tournament. Prize money checks that are not cashed within 120 days will be forfeited.
