

CAMP 1 - 12TH TO 16TH
CAMP 2 - 19TH TO 23RD

INTERNATIONAL TABLE TENNIS

SUMMER CAMP

JUNE 2023

Major USATT Tournament
June 17 - Nittaku Ohio Open

Tournament registration is a separate registration!
Go to www.SamsonDubina.com for tournament registration.

CAMP 1 - This week will have much content about stroke variations - taking your current game and adding more depth to it with new variations in looping, counterlooping, blocking, smashing, and other rally aspects. All of the content will be level appropriate. The coaches and training partners are very patient and will be able to cater to your needs.

Throughout the week, we will encourage note-taking and all of the discussions will be interactive!

CAMP 2 - This week will be focused on footwork details - Learning about balance, positioning, timing, probabilities, and indicators. Many players assume that footwork is about getting fit and jumping around. However, this week, we will be sharing many secrets to understanding game sequences, reading the opponent, and having a better understanding of how to move and where to move!

We are almost full! Sign up today to reserve your spot!
