

First Annual Harry S Truman Table Tennis Non-Sanctioned Tourney Saturday, December 15th

The Independence Table Tennis Club and KCTT invite you to spend Saturday playing table tennis at the Truman Memorial Building. President Truman was a proponent of leading an active lifestyle. In fact, his silhouette of walking with a cane in the neighborhood still hangs from local light posts. We encourage you to visit us and enjoy a day of table tennis. Walking and Table Tennis are lifetime activities for us all. Proceeds will be used to support growth of table tennis in our community.
