### ELIDGIBILTY

Open to all members of the USATT. Non-members may join the USATT by including the membership fee with their entry fee. Players who are not current USATT members may buy a tournament pass for \$20. Any unrated players entering will be placed as the bottom seeds of Group E, but will be unable to win the \$60 prize. Players with a USATT Tournament or League rating will be placed in the draw as described in the 'Tournament Format' section below and in this first stage (only) of the Series, the higher rating of the two will be used for assessing seeding. However, the players Tournament rating will be the one reported and effected with the USATT. In future stages, only USATT Tournament rating will be used

### TOURNAMENT VENUE & HEALTH DETAILS

Playing venue is a 66' x 60' x 24' high, brightly lit gymnasium (600 Lumens on 'Featured' Table); arranged with six, equally sized, fully barriered courts of 32' x 16' (20' x 40' on 'Featured' Table). We ask all people to maintain a 6-foot social distance in the Playing Hall. Finally, players should not change ends between games nor shake hands at the end of matches

### TOURNAMENT FORMAT

There will be six groups of maximum eight players. Players will be placed into the appropriate group based on their USATT ranking on Thursday, January 28<sup>th</sup> 2021. The six groups will be P (premier), A, B, C, D & E. The top USATT rated player will be placed as 1<sup>st</sup> seed in the 'P' group. All other players will be placed in descending order below the 1<sup>st</sup> seed, based strictly on USATT rating, until the lowest rated player is placed as the lowest seed in the 'E' group. This is a 48-player maximum Tournament. If less than 48 players enter, players will be removed evenly from each group starting with Group E (e.g. this would leave 7 players in each group if only 40 players enter). The competition will proceed as a round robin event within each group. # The 2021 Charlotte TTC Tournament Series

Six USATT sanctioned 3-Star Tournaments

Approximately every 2 months through 2021

CHARLOTTE F.U.M.C. Gymnasium, 501 N. Tryon St, Charlotte, NC 28202

## COMPETITION

This is a Six Stage Tournament Series with each stage offered as its own distinct, stand-alone Tournament. These Six Stage's, all of similar format, will be offered approximately two months apart through 2021...

Saturday, January 30<sup>th</sup> 2021

Saturday, March 27<sup>th</sup> 2021

Saturday, May 29<sup>th</sup> 2021

Saturday, July 24<sup>th</sup> 2021

Saturday, September 25<sup>th</sup> 2021

Saturday, November 20<sup>th</sup> 2021

The goal of the 'Series' awards are to reward both the most competitive and/or improved players during the year regardless of playing level. Important: missing the first stage does not stop anyone from entering into any of the other five stages, so early entry is suggested for players wishing to compete in - and win - the Series

## ELIGIBILITY

Entry into any one of the six Stages gains a player free entry into the Series and makes them eligible to win the Series prize based on the format detailed below

## TOURNAMENT FORMAT FOR ALL SERIES STAGES

There will be six groups of maximum eight players. Players will be placed into the appropriate group based on their USATT ranking on the Thursday prior to each Stage event. The six groups will be P (premier), A, B, C, D, & E. The top USATT rated player will be placed as 1<sup>st</sup> seed in the Premier Group. All other players will be placed in descending order below the 1<sup>st</sup> seed, until the lowest rated player is placed as the lowest seed in group E. For the first Stage of the Series only, both League & Tournament ratings will be used for seeding, the higher rating of the two being used. However, the players Tournament rating will be the one reported and effected with the USATT, and League rating players will thus gain a Tournament rating. In future stages, only USATT Tournament ratings will be used. This is to allow previously non-tournament players the opportunity to compete equally in the first stage. Any completely unrated player entering at any Stage will be placed as the bottom seed of Group E, but will be unable to win the \$60 prize. They will be eligible for the Series prizes, but starting only from their entry into the next Series event after their first.

## SERIES FORMAT

### Points awarded for performance in each Stage

It is only necessary to participate in one of the six stage events to qualify for the Series, but Series points will be awarded and accumulated after each and every event on the following basis...

P – from winner to 8 <sup>th</sup> place respectively...	40, 38, 36, 34, 32, 30, 28, 26
A – from winner to 8 <sup>th</sup> place respectively...	38, 36, 34, 32, 30, 28, 26, 24
B – from winner to 8 <sup>th</sup> place respectively...	36, 34, 32, 30, 28, 26, 24, 22
C – from winner to 8 <sup>th</sup> place respectively...	34, 32, 30, 28, 26, 24, 22, 20
D – from winner to 8 <sup>th</sup> place respectively...	32, 30, 28, 26, 24, 22, 20, 18
E – from winner to 8 <sup>th</sup> place respectively...	30, 28, 26, 24, 22, 20, 18, 16

If less than 48 players are entered, players will be removed evenly from each group starting with Group E, but points will NOT be adjusted in any way from the schedule shown above. E.g.: If only 7 players are in both D & E groups, the player coming first in group E will still receive 30 points and the player coming seventh in group D will still receive 20 points

### **Points awarded for performance over all of the Stages in the Series**

Additional bonus points will be awarded at the end of the series as follows...

Seven points for each one of the six events participated in (minimum 7 points, maximum 42 points)

Sixty points for the player who accumulates the most top three finishes in any and all groups across all 6 events

Eighty points for the player with the largest improvement from their start position in Stage 1 of the Series to their start position in any of the following five Stages (positions being 1 – 48)

One Hundred points for the player with the largest ‘underdog’ over-turn win, based solely from their seeded rating when participating in Stage 1. E.g.: Player A’s USATT starting rating (Tournament or League, whichever is higher) while playing in Stage 1 is 1320. This player, while participating in Stage 4, beats a player who at the start of Stage 4 has a USATT Tournament rating of 1470. This difference of 150 points is the largest rating disparity win (compared to their Stage 1 rating) of any player. This winning player gains the 100 category points

In the event of a tie in any of these overall Series categories (except participation), points will be split evenly between the players involved

**It should be noted that not participating in Stage 1 of the Series does not preclude a player from winning a Series award, but does confer on them a significant disadvantage because most of the overall Series point awards use a comparison from the first Stage.**

### **SERIES AWARDS**

As determined by the accumulation of points awarded over all six of the Stages in the Series, corresponding to the point award schedule described above; and to be awarded at the end of Tournament play in Stage 6...

**1<sup>ST</sup> place; \$400 plus Trophy**

**2<sup>ND</sup> place; \$200**

**3<sup>RD</sup> place; \$100**
