

DENVERPONG

SUNDAY LEAGUE RULES

- Denver Pong will host league play each Sunday at 2pm, starting on September 24, 2023
- The League is open to players of all ages and levels of play.
- Players wishing to enter the league, should sign-up on Omnipong.com (under leagues)
- ENTRY IS LIMITED TO THE FIRST 30 PAID ENTRIES RECEIVED.
- Walk in entries may be accepted if there is open sports on Sunday. First come, first served.
- Each league will last 8 weeks.
- Players will be placed on a table based on their rating level in groups of five. Each player will then play every other player within their group and all matches are the best 3 of 5 games.
- Starting ratings will be based on current USA Table Tennis ratings. If a player does not have a rating, an estimated starting rating will be assigned by one of Denver Pong's Coaches.
- Based on the weekly results from the League, ratings will be adjusted up or down (using the USATT ratings scale). The new weekly rating will be each player's CLUB RATING. These are not "official" USATT Ratings. After the first week, a player's Club Rating will be used for table placement.
- The winning player on each table will have the opportunity to move up one table at the next league match. Players can also move up tables by increasing their Club Rating.
- League Standing will be based on a point system with the top finisher in the group receiving 5 points, second place 4 points, 3rd place 3 points, 4th place 2 points, and fifth place receiving 1 points. At the end of the 8-weeks league the top 5 finishers will receive gift certificates.
