Rating eligibility date: February 25th, 2022

Format: All matches are best 3 out of 5 games. Two players advance from Round Robin to Single Elimination for all Saturday and Sunday events. Top 3 advance from Giant RR.

The following events will have mostly 3 players groups: **Open Singles, U2400**

All other events will have mostly 4 players groups.

TEAMS EVENT: Each team is composed by a minimum of 2 players and a maximum of 3 players. Teams will be seeded by adding the rating of the top two players of each team. Before the Team Match starts, the captains of two teams will flip a coin to decide AB and XY positions. The winner of the toss chooses AB or XY and fills in the singles players accordingly. The sheet is folded in half so only the unfilled half is visible. Then the other captain fills in that team's singles players. After the second singles match, the doubles pairs need to be designated (can be the same or one player can be substituted with the 3rd player in the team). The team match will be played using the following format: **Match 1** – A vs Y **Match 2** – B vs X **Match 3** A/B – X/Y **Match 4** – A – X **Match Number 5** – B vs Y. The tie ends as soon as one team wins 3 matches. There is a possibility that Match 4 and 5 will be played at the same time at different tables. If match 4 ends the tie, match 5 result won't count and won't be recorded.

Policies: All USATT regulations apply including dress code. No prize awarded for splits, dumps, defaults or no-show. Events can be modified at the discretion of the tournament director.

Unrated Players can play any event but may only advance in Open Singles or if the tournament director assigns an estimated rating.
