TEAMS EVENT: Each team is composed by a minimum of 3 players and a maximum of 4 players. Teams will be seeded by adding the rating of the top three players of each team. Before the Team Match starts, the captains of two teams will flip a coin to decide ABC and XYZ positions. The winner of the toss chooses ABC or XYZ and fills in the singles players accordingly. The sheet is folded in half so only the unfilled half is visible. Then the other captain fills in that team's singles players. The team match will be played using the following format: **Match 1** – A vs Y **Match 2** – B vs X **Match 3** C – Z **Match 4** A – X **Match Number 5** – B & C vs Y & Z. The tie ends as soon as one team wins 3 matches. There is a possibility that Match 4 and 5 will be played at the same time at different tables. If match 4 ends the tie, match 5 result won't count and won't be recorded.

Observation: Events will start and finish on the same day. There will be a consolation draw so even if you don't advance, you will get to play plenty of matches. Event Fee is per team so please note that there will be no discounts if the team has 3 or 4 players. Please note that is an entire day of play so please have your schedule as empty as possible since it would be unfortunate to leave your team without a member due to previous commitments. Players are welcome to play both events
