TEAMS EVENT: Each team is composed by a minimum of 2 players and a maximum of 3 players. Teams will be seeded by adding the rating of the top two players of each team. Before the Team Match starts, the captains of two teams will flip a coin to decide AB and XY positions. The winner of the toss chooses AB or XY and fills in the singles players accordingly. The sheet is folded in half so only the unfilled half is visible. Then the other captain fills in that team's singles players. After the second singles match, the doubles pairs need to be designated (can be the same or one player can be substituted with the 3rd player in the team). The team match will be played using the following format: Match 1 – A vs Y Match 2 – B vs X Match 3 A/B – X/Y Match 4 A – X Match Number 5 – B vs Y. The tie ends as soon as one team wins 3 matches. There is a possibility that Match 4 and 5 will be played at the same time at different tables. If match 4 ends the tie, match 5 result won't count and won't be recorded.

Unrated Players can play any event but may only advance in Open Singles or if the tournament director assigns an estimated rating.

Proof of membership: Must show proof of USATT membership for all events. Membership and renewals sold at the event. Tournament pass \$50 / 1yr Basic \$25, 1 yr Pro \$75
