RATING LIMITS

RATINGS CUT OFF DATE: November 4, 2024.

Each team will have a minimum of 2 players and a maximum of 3 players. Seeding will be based on the rating of the highest 2 players on each team. Each team can have only one player rated 2500 and above at the rating cutoff date. The latest ratings will be used for draws.

PLAYING FORMAT

This Team Tournament will be played over 2 days. Day One will be Preliminary Round Robin Stage and Day Two will be the Championships Stage. Each Team Match will be played by 2 players from each team. For teams with 3 players, the Team Captain will have to decide which 2 players will play in each Team Match before the start of each Team Match. The winner of each Team Match will be determined in a Best of Five Singles and Doubles matches to be played in the order tabulated below:

A	SINGLES (Best of 5)	Y
B	SINGLES (Best of 5)	X
AB	DOUBLES (Best of 5)	XY
B	SINGLES (Best of 5)	Y
A	SINGLES (Best of 5)	X

To accelerate match play, the Tournament Referee reserves the rights to order the first and/or last 2 Singles matches to be played concurrently.

Once a team has reached 3 matches won, no further matches will be played (any matches still in progress will be abandoned or canceled).

DAY ONE – Preliminary Round Robin Stage

Each team will be placed in a group drawn in a snake format. There will NOT be geographical or club separation. Within each of their groups, each team will play up to 4-6 matches (i.e. 2-3 teams seeded higher and 2-3 teams seeded lower) in this Preliminary Round Robin Stage. In so doing, each team will play teams that are rated comparable to themselves.

DAY TWO – Championships Stage

After the completion of Day One's Preliminary stage, each team will be placed in one Division (Either Championships, A, B, or C) based on Day One's total match points accumulated, any tie breaks, and the original Day One's drawn position.

PLAYING FORMAT(CONT.)

Day Two will start with a Divisional Round Robin round with most teams placed in group of between 4-5 teams each to be snake drawn. There will NOT be geographical or club separation.

After the Divisional Round Robin round, the TOP 2 teams of each group will advance to a single elimination round to determine the winners.

DIVISIONAL CUT OFF

The exact cut off of each division will depend on the total number of teams. The Championships and C divisions will roughly represent 20% of the top and bottom respectively. Divisions A and B will roughly have the middle 60%.

At the start of the tournament, each team will be ranked based on their team rating. After Day One, each team will be re-ranked based on their Day One's results. Each team can move up or down as many as 3 positions from their original rank. This re-ranked list and the Divisional Cut Off will be used to decide which teams go to the Championship, A, B, and C divisions.

The Tournament Director and Referee have sole rights to determine the cut off points of each division.

DEFAULTS

No prize/prize money shall be awarded for teams who default any team match/matches. The tournament committee reserves the right to restrict such teams (who default their matches) from advancing if no satisfactory reasons are given for their defaults.
