

Michigan Players,

The Michigan State Closed Tournament is postponed because of the pandemic virus. We are working to have the Tournament May 29, 30 and 31. A new flyer will replace this posting when we have it ready.

Players that have already paid will stay listed in the tournament events.

Players that did not pay by March 13 will be removed from the tournament and they will have to re-enter the tournament and payment must be received by May 22 to play in the tournament.

Players that withdraw before May 29 will need to contact the Davison Athletic Club for a refund, however the DAC is closed for 2 weeks, so there may be no answer if you call.

Absolutely no late entries will be allowed.
