WELCOME

The "STAG GLOBAL 2026 - Classic Table Tennis World Cup Brazil" is 100% confirmed. And it will be fantastic! It will be the largest edition of the Classic World Cup ever held.

The Classic Table Tennis World Cup is an amateur and recreational competition. The main objective is to provide a unique experience of fun, parties, tourism, integration and mainly: many games for players of all technical levels, ages and genders. All this with great cash prizes, trophies, medals and also an official certificate of participation for all players.

The World Cup in Brazil will have a great new feature: in the Choice category, players will be able to use literally any racket, including sponge. With this, we will be giving athletes who play exclusively in Table Tennis the opportunity to participate in this great event.

The World Cup Brazil is already a success, and we already have a large number of players eager to get a spot. It is important that you know that the ICTTF will distribute the spots in batches. The first batch is reserved for ICTTF member nations.

So, we would like to give you some tips:

- 1) Don't miss the deadline to secure your places in the categories and disciplines you wish to participate.
- 2) Registration prices will also be in batches, the earlier you register, the greater the discount you will receive.
- 3) If you register in advance, you will also get special prices on accommodation at the official hotel and your travel costs will be lower.

About the host city: Três Coroas is a special place, surrounded by mountains, rivers and preserved forests, it enchants those seeking peace, nature and beauty. But it is also the perfect destination for those who love adventure. In Três Coroas, you can relax by the river or experience the thrill of rafting, hiking, rappelling and much more. Another strong point is the gastronomy, the food is delicious! In addition, the city has a strong tradition in Classic Table Tennis, the Mayor and the entire community are supporting the World Cup, we will have a large audience at the games and an entire city welcoming the players who will participate in the World Cup.

Finally, we would like to thank all the players and especially our supporters of the World Cup Brazil and inform you that we still have sponsorship quotas for public and private institutions that wish to associate their brand with the competition.

Don't miss out, come to the World Cup Brazil and live unforgettable moments!

We welcome everyone and wish you an unforgettable World Cup.

*Mr. Vivek Kohli, Mayor Fabiel Port,
Steve and Cesar*

HOW TO GET THERE?

For athletes from other countries, the final destination airport is "Salgado Filho International Airport", in the city of Porto Alegre, capital of State of Rio Grande do Sul, Brazil. European airlines operating flights to Brazil generally list Salgado Filho International Airport with the acronym "POA" in their systems.
