Handicap Singles Format- 51 point Game

Handicap Points Calculation- The Handicap Points calculation is based on the USATT Tournament Guide for Handicap Singles 41 point game rules (modified up to 51).

Match- Match is 1 game to 51 points.

Format- Seeded groups of 3-4. Round robin matches best of 1. EKT T will use a player's USATT rating or club rating, but the tournament director/referee reserves the right to alter a player's rating if necessary. The format be altered at the discretion of EKT T before the tournament begins. Players with no club rating or

USATT rating will be given a provisional rating by the tournament director. Players may sign up until 10 am on Saturday, July 13.

Service- The lower rated player starts each game with their score based on the assigned handicap. Hide the ball under the table to determine which player serves first (like any other match). Each player **serves two times** from that point on, unless the game is tied 50-50. If the game goes to **deuce**, then the players will alternate serves until one player wins the game by 2 points.

See Handicap Chart 51 Point Game for determining Point Differential.

Competition Format- Preliminary Round Robins will be created and seeded using the player's established, estimated, or assigned rating. The estimated rating will be established by the tournament director or referee (or qualified designee).

The Round Robins will have a maximum number of 4 players. 1st and 2nd place players will advance to the Handicap Rating Championship Singles Elimination Tournament. 3rd and 4th place players will advance to the Consolation Tournament where each player will receive a medallion for 1st-3rd place and special prizes (to be announced).

If the total number of players is less than 6, then a single Round Robin will determine 1st and 2nd place.
