Grouping will be determined by player rating as of April 2, 2026. The top 8 rated players will be placed in Division 1, then the next 8 in Division 2, and so forth, until the tournament is full. Each player's finish will be determined by their won-loss record and the standard tie-breaking rule will apply. There is NO second tier play off, or single elimination round following the giant round robin group play. Some groups may be combined if attendance doesn't allow a full grouping of 8 players.
